From the Municipal Town Bangalore city

A.S.C 1318, dated 30.5.47

States that Mr S Raghava Rao Executive Engineer C.O.D in Bangalore city Municipality as Municipal Engineer has suffered in his emoluments on account of his transfer to the city Municipality and requests sanction to the resolution dated 27-5-47 of the Municipal to grant the above Executive Engineer a personal allowance of Rs 150-p.m from the date of his joining duty in the Municipality

The Chief Engineer for Irrigation will be consulted Wo in the matter

3/6 It is seen from the enclosed list dated 1.1.1947 that Mr S Raghava Rao B E is getting a pay of Rs 500 as an Executive Engineer in the grade of Rs 250-50-500

Mr Rao Madhavan BE is getting a pay of Rs 400 Rs 100/- less than Mr Raghava Rao

It is stated that, if he is transferred to Bangalore City he would be losing a Dearness Allowance of Rs 25 representing a 5% of pay as Compensatory allowance of Rs 50 which he would have got if he had been posted to the Central Circle

Division In order to compensate
him for this loss, the Board of M.C.
have resolved to give him a personal
allowance of Rs 125/- pm It is not
definitely stated whether this is to be
in addn to the consequential allowance of Rs 100/-
The reason is for orders, in
consultation with the Chief Engr. In
connection with the new Hospital, PW Secy
Secretariat

3 It is true that Mr Balagiri Rao
has suffered in emoluments by
his transfer to the Bangalore city
Municipality Before his transfer
to the Municipality, he had been
transferred to the Cement Concreting
Division, but this transfer was
cancelled and he was posted
to the Bangalore city Municipality
As he has been specially
selected for the Municipality
it is not fair that he should be
be made to suffer in his
emoluments

4. In view of the above
circumstances, the resolution
the Mbl Council may be sanctioned

The file was returned for further comments of the Secretary, by the Post to the Secretary Transport on 24th May

Mr Bilgrami Rao is an Executive Engineer of the P W D on a pay of Rs 500 in grade Rs 450 — 50/2 — 750. His terms are fixed at the disposal of the Municipality for being appointed as Municipal Engineer which is also of the grade of an Executive Engineer

It is stated he was, prior to his transfer to the Municipality, posted to the Cement Concreting Division and he had joined his post there, he would have been drawing a D A of Rs 200 plus a Conveyance allowance of Rs 50 p.m. By his transfer, he is reported to have lost a sum of Rs 250 p.m. In order to Compensate for the said loss, the Municipality have resolved to grant him a personal allowance of Rs 150 p.m. — which is of Course in addition to the fixed D A of Rs 100 p.m. to which he is entitled

The question involved in this case is one of principle viz to what extent an Engineer officer who is transferred to the Municipality should be Compensated

for any alleged loss in emoluments
as compared with what he would have got
had he been kept on in an appointment
without such transfer & whether he should be
compensated at all in such cases in
regard to the alleged loss of D A, the Secretary
under the Council concerned would have
been much more than matters - in the course
of time and he would also have to spend an
equal amount there for supervising the work
whether the grant of a personal allce to make
up the alleged loss in such cases would be
justifiable is also a matter for consideration
in the course of service, and upon which opinion may differ
When once this principle is accepted, this would
become a common feature for all the All
Engineers to be posted in future

9 What holds good in the case of Mr Robyn
Rao has perhaps to be applied to Mr
Manavalan also - who is an Executive Engineer
posted to the Trust Board. Since - in regard
to the grant of personal allowance as recommended
by the Trust Board in his case, there is no
alleged loss of the transfers in the same
area - from Division to the Trust Board.

10 The Local Bodies concerned have however, agreed
to grant the personal allowance of
Rs 150/- p.m to each of them

11 Since a question of principle

... involved the Financial
Secretary may be consulted in
the matter.

12. These two files relate to the grant of personal allowance of Rs. 150/- each to Mr. Bilgiri Rao, Municipal Engineer, Bangalore City and to Mr R. Madhavan Engineer officer City Improvement Trust Board Bangalore. The Municipality & the City Improvements Trust Boards respectively have resolved to give the above personal allowance to these officers in view of their efficiency & the arduous & responsible nature of the work for which they have been specially selected. There

is therefore no question
of principle involved
but it is a matter of
special consideration
incidental to the nature
of the appointments made
These officers will really
be put to heavy personal
expenses, similar ones —
like Bangalore. Having
regard to the special
nature of the work they
are entrusted with, I
think this case calls
for some special consideration —
This cannot set up a
precedent for other
officers to put forth
a similar claim later,
when the work will have
become of a routine
nature — The allowance
for these circumstances
will be purely personal to

the above named ~~two~~ officers so long as they continue in their present offices. It is desirable also to state that Sir Bijoy Rao has ~~that the above emoluments on account~~ also applied in his case ~~and~~ & has agreed to ~~the Board~~ as suggested

13) The Secy PWD, who was consulted in the matter has agreed to the above proposals (vide para 5 supra & para 7 in the letter file).

14) If desirable, the Chief Engineer Irrigation may also be consulted in the matter

I see from the file that the Fd Dy has not been consulted at any stage I am doubtful whether a personal allowance is admissible in such a case It cannot be granted in lieu of T A in any particular case of transfer, as an officer has to incur extra expenditure in connection with his transfer to a new station The allowance is granted to cover such expenditure, there is no provision for granting allowance in lieu of T A

5 In view of the above recommendation, it is proposed to sanction a personal allowance of Rs 100/- per mensem to each of the above officers, with effect from the date of their joining duty in their respective posts The expenditure would be met out of the funds of the Local Bodies concerned The grant of payment of the allowance will be purely personal and it would be paid to them only, so long as they continue in their present offices

The allowance is recommended in this case because the officer could not be posted to a particular appointment carrying higher benefits in the form of allow nces The travelling allowance and construction allowance referred to and attached to a particular post cannot be treated as a source of profit If an officer is in the interest of Public Service transferred to another appointment which may not carry similar allowances, it does not mean that Government should compensate for the loss of allowances which could have accrued had he not been so transferred If concessions are to be shown on this basis it would be enunciating a new principle of profit and loss On this ground I feel there is no case to compensate the officer for any loss I therefore urge even at this stage to turn down the proposal as any decision taken in this case would serve as a precedent for similar cases

While I quite agree with the principles enunciated above by the Fd Dy, some consideration may have to be shown, human nature being what it is, to Mr Iyer concerned, who feel that they stand to lose by such changes or arrangements, will always, smart under a sense of grievance & their enthusiasm for & interest in the work, will be affected. Some Dy allowance, considered reasonable by the Minister for Edn & Public Health may be granted It must however be noted that any Dy allowance now given, may have to be continued to the successors of Mr Balajee Rao, as otherwise it would give scope for heart burning & discontent.

Final Note by the Minister for Education and Public Health

Subject— Grant of a duty allowance of Rs 100/- each per mensem to Mr S Biligiri Rao, Municipal Engineer, Bangalore City Municipality and Mr R Madhavan, Engineer Officer, City Improvement Trust Board, Bangalore

---

In April 1947, orders were issued posting Mr S Biligiri Rao, Executive Engineer, Mandya Division, as Municipal Engineer, Bangalore City Municipality, vice Mr R Madhavan, Municipal Engineer transferred to the Bangalore City Improvement Trust Board as Engineer Officer

Mr S Biligiri Rao, Executive Engineer, has represented that, prior to his transfer to the City Municipality, he had been posted to the Cement Concrete Division, Bangalore and that if he had joined his post there, he would have been drawing a travelling allowance of Rs 200/- in addition to a construction allowance of Rs 50/- per mensem and that he is therefore a loser to that extent in his emoluments on account of his transfer to the City Municipality

In order to compensate him for the said loss, the Bangalore City Municipal Council have resolved to grant him a personal allowance of Rs 150/- per mensem, in addition to the present fixed Travelling Allowance of Rs 100/- per mensem

Similarly in the case of Mr R Madhavan, Engineer Officer, Bangalore City Improvement Trust Board, who is also in charge of the City Drainage Works, the Trust Board has resolved to grant him an allowance of Rs 150/- per mensem in addition to the Conveyance Allowance of Rs 100/- per mensem in view of the arduous nature of work that he has to perform, as the result of a large number of schemes of improvement that have been sanctioned

After a careful consideration of all aspects of the question, it has been proposed to grant a duty allowance of Rs 100/- each per mensem to the above Engineer Officers with effect from the date of their joining duty in their respective posts, this being applicable

to their successors also, provided they are of the same status

The above proposal has been approved by the Dewan and the other Ministers in Council, and I solicit the gracious sanction of His Highness to the same

Sir

I have the honour to state that Mr S Biligiri Rao, B E , Executive Engineer, Public Works Department, who was very recently posted as Municipal Engineer is one of the seniormost Executive Engineers of the Public Works Department and may be raised to the cadre of the Superintendening Engineer shortly On leaving Mandya Division he was transferred to the Cement Concreting Division, Bangalore,and the latter transfer order was subsequently cancelled and he was posted to this Municipality Had he joined duty in the Cement Concreting Division he would have been drawing Travelling Allowance of Rs 200/- plus a construction allowance of Rs 50/- per month While serving in the Municipality he will be drawing only a fixed Conveyance Allowance of Rs 100/- and to compensate this loss, therefore, the Managing Committee at their meeting held on 21-5-1947 resolved to grant him a personal allowance of Rs 150/- per month and the Municipal Council at their meeting held on 27-5-1947 approved the resolution of the Managing Committee

2 Copies of the aforesaid resolutions are forwarded herewith for favour of obtaining the sanction of Government thereto

I have the honour to be,
Sir,

Sir,

Subject - Personal Allowance of Rs 150/- p m to Mr R Madhavan, B E , Engineer Officer, C I Trust Board, Bangalore

---

In forwarding herewith an application dated 15-5-47 from Mr R Madhavan, B E., Engineer Officer attached to the Trust Board requesting for reasons stated therein, the grant of a personal allowance of at least Rs 150/- p m I have the honour to state that Mr Madhavan has come to the Trust Board on his own pay of Rs 450/- in grade Rs 450-50/2-750/-

2 Government have since sanctioned various schemes to be undertaken by the Board involving expenditure of several lakhs of rupees The Engineer Officer attached to the Board has to handle these schemes efficiently and with utmost promptitude and care He is besides entrusted with the additional work connected with the City Drainage

involving an annual expenditure of Rs.3 to 4 lakhs of rupees, consequent on the amalgamation of the City Drainage Division with the Trust Board as per G O No L 4090-7/M1 154-44-5 dated the 24th Novr 1945 Considering the huge volume of work, the very heavy responsibility and the onerous nature of work devolved on the Officer, I feel it is but fair that Mr Madhavan should be given an extra allowance

3 This was placed before the Board at its meeting held on 27-5-47 After a full discussion finally it was resolved by the Board

"That a recommendation be made to Government for the grant of an allowance of R. 150/- p a to the Engineer Officer and his application forwarded to Government "

I enclose an extract of the proceedings relating to the subject.

4 I accordingly recommend that sanction of Government may kindly be obtained to the grant of the allowance asked for by the Engineer Officer and as recommended by the Board

I have the honour to be,
Sir,
Your most obedient servant,

SUBJECT NO 31

Engineer Officer's letter dated 15-5-47 requesting for the grant of a personal allowance of Rs 150/- p m to him in consideration of the onerous duties devolved on him

The Chairman explained to the members that it was fair that Mr Madhavan should be given an allowance as he has come on his original pay and the works he had to attend to are very responsible and heavy

Other members also shared the opinion of the Chairman and said that the allowance should be treated as an allowance to the Engineer Officer and not a personal one and should be granted to theEngineer Officer of the Board

Mr Gupta suggested that the allowance should be of a "Personal" nature as Mr Madhavan had come on his original pay, so that if the Officer of higher pay comes over to the Trust Board, he may not claim the same allowance

But it was explained to Mr Gupta the volume of work that an Engineer Officer should handle in the Trust Board and said that an allowance in any case should be given to the Engineer Officer

Finally, it was resolved

"That a recommendation be made to Government for the grant of an allowance of Rs 150/- p m to the Engineer Officer and his application forwarded to Government "

CITY IMPROVEMENT TRUST BOARD,
Bangalore, Dated 15th May 1947

To

The Chairman,
City Improvement Trust Board,
BANGALORE

Sir,

I have the honour to inform you that as per Government Order No L 14702-L1-13-46-105 dated 23rd - April 1947, I have been transferred from Bangalore City Municipality to the City Improvement Trust Board as - Engineer Officer on the same pay as I was drawing, viz Rs 450/- in grade Rs 450- 50/2 -750/-

In this connection I have to bring to your - kind consideration that the formation of huge residential extensions and Industrial Suburbs and general - improvement of the existing City which form part of - ry duties, entails considerable spade work and initiative unlike the work in an established regular P W D Division Further I may invite your attention to the fact that I am also the Special Officer handling the entire work of the City Drainage which requires careful study and expeditious execution

This I may be permitted to state that the efficient and expeditious execution of Trust Board works at this initial stages involve much strain and additional responsibilities and hard work and I therefore request that a personal allowance of at-least - Rs 150/- per month may kindly be granted to me

I have the honour to be,
Sir,
Your most obedient servant,
